Tasty Snacks For Supper

When the hungry family comes home at night, mother knows that what will really please them are the tried and favourite foods. And just the little extra twist makes them think they have got something new.

Curried Apple With Sausages.

- 1 lb. apples.
1/2 med. size onion.
1 oz. margarine.
1 level dessertspoonful curry powder.
1 pint water.
1 oz. flour.
Salt and pepper.
1 1/2 lb. freshly mashed potato.
1 lb. cooked sausages. Parsley.

Melt the fat in a saucepan, slice the onion thin, add to the pan and fry until a light brown. Stir in the curry powder and cook for a few minutes, stirring meanwhile. Add the water and bring to boil. Peel, cut up and core the apples, put in pan, simmer till tender. Mix the flour smoothly with a little cold water, stir into the pan and cook gently for five minutes. Salt to taste and serve on a hot dish in a ring of the potato, with the sausages arranged round it. Garnish with parsley.

Stuffed Vegetable Medley.

- Two vegetables in this novel dish are stuffed in such a way that makes one give flavour to the other.
4 large potatoes; 4 large tomatoes; parsley.
Foremost—
3/4 oz. corned beef.
1 dessertspoonful grated onion.
Pinch of sage.
Salt and pepper.
A few breadcrumbs
2 oz. melted dripping or margarine.

Scrub the potatoes and bake in a moderately hot oven for an hour or so until they are just cooked. Cut in halves lengthwise and with a teaspoon scoop out from the centre a little of the pulp. Cut the tomatoes across, take out some of the pulp and mix with the potato, corned beef, onion and sage. Bind if necessary with a little milk and season well. Pile into the cavities of the vegetables and pack in alternate rows in a fireproof dish. Sprinkle with bread crumbs, pour a little of the melted fat on the top and bake for about a quarter of an hour in a hot oven. Garnish with parsley sprigs.

Fish Piquante.

- 1/2 lb. cooked fish.
3/4 lb. grated raw carrot.
1/2 oz. chopped pickle.
1/2 oz. margarine.
1/2 oz. flour.
4 slices hot toast, lightly spread with margarine.
Salt and pepper.
Watercress or other salad.

Remove skin and bone from the fish and flake up. Place in a saucepan with the carrot, pickle and margarine, and heat up. Mix the flour to a smooth paste with two tablespoons of cold water and stir into the mixture. Season well and simmer for 4 or 5 minutes. Pile on the toast and garnish with the watercress.

Garnishing the Dish.

When you have taken time and trouble over a dish, make it look as attractive as possible. Always leave yourself a few seconds to dress it up attractively. Appearance goes a long way towards appreciation. If there are colouring ingredients in the dish itself, select a few of the best of them and put them tastefully on the top, or use as garnish any food that will combine with it in colour and flavour. But don't hot too long about the trimmings; for a hot dish must be hot.

The cloth market is still active and manufacturers are well foreclosed. The value of 10 1/2 oz. 40 in. continues at 7.86d and 8 oz. at 6.07d per yard.
